

Stainless Steel Banding/ Strip/ Strapping/ Coils

Stainless Steel Wing Seals/ Buckles/ Toggle/ Clip

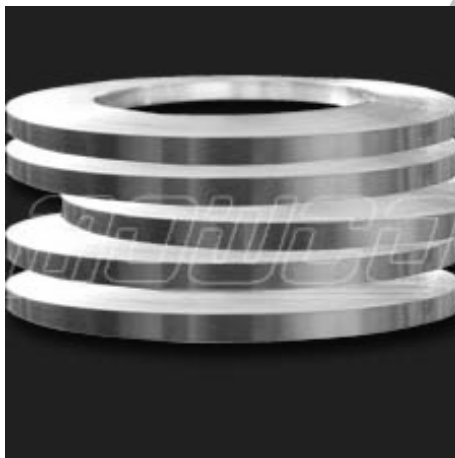

- **SS 304 (316) Stainless Steel Banding (Band / coils / Strip/ Strapping)**

Mowco Insulation & Sealing Products LTD offer stainless steel banding/strapping in a full range of widths, 1/2" (12.7mm), 5/8"(15.9mm), 3/4"(19mm) and 1"(25mm), in both 2B finish and Bright finish, other width less 15.7"(400mm) can be made to order. The material is available in both 304 and 316, also galvanized banding.

Our product features smooth and rounded edges to ensure safe handling.

The banding is typically packaged in 10~20 kg coils, but also available on special order, shrink wrapped or paper wrapped, in pallets or crates for ocean shipping.

Small coils in 100 feet (30 metres) length can be packed in box upon request..

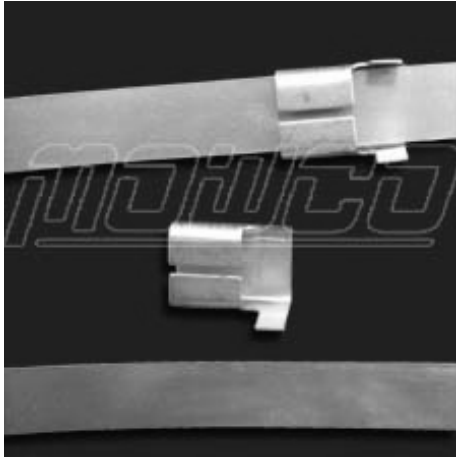

- **SS 304 (316) Stainless Steel Clips / wing seals/ Buckles**

Wing seals (clips or buckles) are fabricated from high quality 304 or 316 stainless steel, to fit the banding/strapping exactly that we offer, allowing tension strength of clamping work with good durability. Wing seals are available in a full range of widths, 1/2" (12.7mm), 5/8"(15.9mm), 3/4"(19mm) and 1"(25mm). And galvanized ones also.

Packing: 500 pcs/box or 1000 pcs/box
