- Maximum power
- Medium power
- Minimum power

Type	MJH10-1/MJH10-2/MJH10-3
Cover Material	Plastic
Voltage	AC220~240V, 50Hz
Power	1000W
Duration	15 min
Protection class	IP X2

Protection functions

- over-heating double protection (electron protect; 70C)
- over-time protection (15min)

Packing:

- Inner Packing: 1pcs/box
- Outer Packing: 6pcs /carton
- 20' Container: 1800pcs
- 40' Container: 4800pcs
