Dear Mr. Cai Bin,

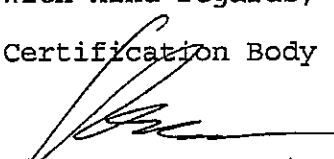

A specimen of above mentioned product has been tested and found to be technically in compliance with § 4 (1) and -(2) of the GPSG (= German Equipment and Product Safety Act). The certificate is issued with the reservation that the licence holder applies all information required in § 5 of the GPSG related to name of the manufacturer and, if need be, his authorized representative / the importer including their respective addresses on the product, its packing and/or the user's manual prior to marketing the product in the European Economic Area. Enclosed please find the certificate of approval No. S 50107805 0001.

If cancellation of the certificate is submitted by November 15 in a given year, no fee will be charged for the following year.

Please contact our office for approval of your new products.

With kind regards,

Certification Body
