

GENERAL MANAGER:
MR YU

GUANGZHOU FEN FANG GARDEN has been engaging in bonsai exporting since 1985 as the pioneer of this field in Guangdong China. During the development of 25 years, we has obtained “Europe Bonsai Import License”, and expanded our nursery from 2000 m² to 68000 m² with the yearly capacity of 2 million pots, which were sold to Europe, America, South America, Canada, Southeast Asia, etc.

Over 10 kinds of plant species we can provide, including Ulmus, Carmona, Ficus, Ligustrum, Podocarpus, Murraya, Pepper, Ilex, Crassula, Lagerstroemia, Serissa, Sageretia, with the style of ball-shape, layered shape, cascade, plantation, landscape and so on.

For the excellent quality, great varieties, competitive price, and integrity, we win widely reputation from customers and cooperators both at home and abroad. FEN FANG welcomes wholeheartedly your enquiry and any business cooperation.
