Multifunctional Portable 3G Wireless Router Model: RV12

1.Introduction:

MELON RV12

RV12 is a multifunctional and portable 3G router ,share the freedom of 3G/WIFI ,with many functions,such as 3G hotspot/ADSL wireless router/power bank /wifi wireless data sharing /AP router.RV12 allows user to easily share the 3G connection with family and friend anywhere and anytime .It's a ideal partner for your Iphone ,Ipad or smartphones .

5200mAh power bank 3G hotspot ADSL wireless router wifi wireless data sharing and storage

2.Interface:

Product Interface :

- R : ON
- C : Charge
- ⊖ : Off
- Battery indication button
- Battery indication light
- Reset
- DC port
- charging light
- RJ45 port
- 3G modem/ Power supply / data sharing Port
- Status light

3.Specification:

Standards	IEEE 802.11 b/g/n
Chipset	RT5350SF
Data Transmission Speed	11n:Up to 150 Mbps(dynamic) 11g:6.6.12.18.24.36.48.54 Up to 54 Mbps(dynamic) 11b:1.2.5.6 Up to 11 Mbps(dynamic)
Wireless Frequency	2.4 to 2.4835GHz
Support 3G modem type	Support WCDMA / HSDPA / GSM/GPRS/EDGE and more than 300 3G modems
Power input /output	5V 1A
Battery type	5200mAh rechargeable li battey
Dimensions	93.8*43.8*30 mm
Weight	140g

4.Functions:

- (1) Power Bank
- (2) 3G Router
- (3) ADSL Wireless Router
- (4) WIFI wireless data storage and share

RV12 Functions introduction

1 large capacity power bank

the smartphone and tablet PC become more and more thin ,the standby time is more and more short ,so the mobile power bank is necessary !
RV12 with 5200mAh large capacity battery ,the working time is 8 to 10 hours !

2 3G ROUTER

RV12 can compatible with 3G/4G modem,plug and play ,donot any need driver
