公司简介

COMPANY PROFILE

Xiamen Weihuang Textile Products Co., Ltd. was founded in the beautiful seashore city of Xiamen in 2002. Our company is an enterprise which incorporates production, sale, and research into an organic whole. We are specialized in manufacturing reusable bag including polyester bag, nylon bag, non woven bag, cotton bag etc.

Our factory occupies an working area of 4000 square meters where we utilize advanced production machinery and employ 250 skilled workers who are trained for 3-10 years. we passed BSCI and BV factory audit, and our products are compliant with EU&USA testing standard. Doing both material and production of reusable bags enable us to have direct control in cost and quality, and become partners with many big brands all over the world.

Based on our guiding principle of "Quality defines existence and management is the key to development", we continually strive to exceed our customers' expectations. We sincerely invite all interested companies to contact us for future cooperation.

Customer's Design and Small Quantity Trial Orders are welcomed. Our competitive price will be offered as soon as possible after receiving your requests.
