

NINGBO FLUID POWER MACHINERY CO., LTD

ADD:HEHUA BRIDGE INDUSTRIAL ZONE, YUNLONG TOWN, YINZHOU, NINGBO, CHINA

TEL:0086-574-88474877 FAX:0086-574-88067337

Founded in 1996, NINGBO FLUID POWER MACHINERY CO.,LTD. is a privately owned manufacturer & trading company specialized in producing below lines:

- ◆ Machining parts
- ◆ hydraulic Tube fittings& hose fittings
- ◆ hydraulic cylinder fittings
- ◆ stamping parts
- ◆ industrial valve fittings
- ◆ automotive power train parts
- ◆ custom-design products.

Since we specialize in custom-design production components, no matter how different, your non-standard requirements are manageable for us. Give us your sketch and our engineers will provide you with a finished engineered drawing for your approval.

Reasonable quotation will be provided within 24 hours and shipment will be arranged in around 6-8 weeks from the date of order.

The precision machining parts are in the fields of Engineering Machinery, Hydraulics, Industrial Valves, Automotive industry, all welcomed and favored mainly by North American and European customers.

Our factory covers an area of 3,500 square meters, composed of 56 industrious staff and 5 dedicated engineers and technicians. We are located at the potential and well-known

port of Ningbo, where is close to Shanghai and Zhoushan port. And it is only 10 kilometers to Ningbo international airport.

Based on the 17 years business experience, we avail ourselves of the smart China”reform and opening up” policy and excellent hard work for becoming a top-notch corporation.

Thanks to the state-of-the art equipments and experienced team, they allow us to make the monthly capacity reach to 200, 000USD and production capacity 5million pieces. We also own the Independent Export Right in order for the convenience of trading home and abroad.

- CNC LATHE 60 SETS
- CNC MILLING MACHINE 4 SETS
- PUNCHING MACHINE 10 SETS
- 250T oil hydraulic press 1SETS
- HACKSAW MACHINE 2 SETS
- DRILLING MACHINE 10SETS
- CNC HYDRAULIC BENDER 1SET
- FOUR-AXIS VERTICAL MACHINING CENTER 1SET
- THREAD ROLLING MACHINE 4SETS
- THREAD TAPPING MACHINE 6SETS

Our experienced R&D teams are always endeavored themselves to produce the standard and non-standard to meet various needs from reputable clients worldwide. Meanwhile, we also have the strict QC and diagnose equipments to ensure the high quality of the products.

QC OFFICIAL CERTIFICATE	ISO9001:2008	
QC and diagnose equipments	CPJ-300 Projector	
	Rockwell Hardness Tester	
	Gauges	
	ROHS diagnose equipments	
	Salt spraying tester	

We absolutely focuses on providing our customers with the best quality products at the best price possible along with exceptional service. In our trade with merchants of various countries, we always adhere to the principle of equality and mutual benefit. It is our hope to promote, by joint efforts, both trade and friendship to our mutual advantage.

Data information centre

Business type: manufacture/ distributor/ fabricator/ exporter

Export Percentage: 100%

Competitiveness: Originality/ high quality/ reasonable price/safe package/ punctual delivery/ good service

No. of R&D staff: 5

Year Established: 1996

No. of Total Staff: 56

Monthly Capacity: 200,000 USD

Sales revenue in 2012: 2500,000USD

Total investment: 1.5 million RMB

Occupation: 3500 square meters

Production capacity: 500 million pieces.

Product Range:

- Hydraulic Tube fittings& hose fittings:

STANDARD  SAE www.sae.org/

 DIN www.din.de/cmd?level=tpl-home&contextid=din

 BS www.bsigroup.com/

 JIS www.jisc.go.jp/eng/

 ISO www.iso.org

Main product: Tube Fittings and Adapters, Flange Fittings and Accessories, Conversion Adapters.

Material: Carbon Steel, stainless steel316L, Cast Iron, copper and copper alloy, aluminum

Surface Treatment: Cr+3 plating.

Straight-way: 45°. 90°tee and four-way shapes

Specification : 1/ 16"-4"(4MM-100MM)

- Hydraulic cylinder fittings:

CYLINDER and OIL CYLINDER :SPHERICAL BEARING, BUSHING, CYLINDER CAP,
END PLATE.

Material: Carbon Steel, Stainless Steel, Steel casting

Surface Treatment: Clear Zinc Trivalent Plating, Nickel plating, Protective oil, Powder painting, Black oxide coating, Painting, Phosphate, Dacromet, etc.

- Stamping parts:

PUNCHING MACHINE: 200T * 1set 160T* 2sets 80T * 2sets 35T* 2 sets 15T*3
sets; 250T oil hydraulic press1set

The largest thickness: Carbon Steel 12MM, Stainless Steel 8MM

- Machining Parts: shaft, axle pin, circular nuts, flanged screws, flanged connectors,
banjo, Wheel Nut, "U" type bolt

Material: Carbon Steel, Stainless Steel, aluminium

Surface Treatment: Clear Zinc Trivalent Plating, Nickel plating, Protective oil, Powder painting, Black oxide coating, Painting, Phosphate, Dacromet, etc.

- Industrial valve fittings:

Gate Valves lead screw

Material: X20Cr13

Surface Treatment: Protective oil.

Why Choose Us?

OUTSTANDING

We are the independent manufacturer, Distributor, Fabricator and Exporter here. The most important and outstanding superiority is the PRICE. Lacking some transfers links, we are confident our quotation is most competitive and attracting.

A- Manufacturing:

1. On the base of our experience team and imported top-notch machines, our allowable error could reach to **0.025mm**
2. **Professional tests** have to be carried out after each machining steps
3. All products apply to **the international regulation**. Hydraulic fittings have high quality which meets with SAE/ DIN/ BC/ JIS/ ISO, etc.

B- Service & Support

1. Nearly 20 year's experience of professionally manufacture and export worldwide
2. Professional team speaks well English
3. Samples are available for your inspection and will be promptly delivered to you by air courier at the earliest time possible.
4. Drawing design and products tailor-made
5. We handle the full procedure of exporting

If you are keen to our product, please visit our online official website at www.fluidmachining.com which includes more our latest products. Should any of these items be of interest to you, please let us know. We will be happy to give you a quotation or samples upon receipt of your detailed requirements.

So come and let NBF to reduce your cost, expanding the business in China!
