

An brief introduction of our company

Our company has been specializing in exporting quick frozen vegetables for 13 years, with the experience of trading with clients from all over the world (Europe, the U.S., the U.K., Canada, Brazil, Australia, South Korea, Japan, India, some of the African countries and Middle East Countries).

our headquarters and second factory

So far, we have 4 factories (three in Qingdao and one in Inner Mongolia) of our own. We have also established two offices in Qingdao and one in Beijing.

We have various kinds of IQF & BQF vegetables such as spinach, green peas, green beans, leek, onion, sweet corn etc. and frozen vegetable series such as garlic series, mixed vegetable series, spring onion series, garlic series, chilli series, colored pepper series etc. At the same time, we also process fruits like yellow peach dices/ halves and strawberry.

products puzzle

In 2013, we started producing spring rolls and samosa (of various specifications) exporting to overseas nations such as Australia and Brazil.

Our products have been certified by FDA, BRC, ISO 22000 (including HACCP), QS, HALAL, KOSHER etc. So the quality of our products is creditable.

So if you or your partners demand any of those products, please just tell us. We are known for qualified vegetables and the ability to maintain the quality.
