

## **Power Generation, Nuclear Power Plant**

General lighting, Emergency lighting circuit, Control circuit in the computer room,  
Big power circuit, The environment of high temperature power and control circuit,  
Potentially dangerous explosion area circuit

## **Warship, Ship**

Generator room transmission lines, Fire monitoring system · Fire alarm system · Flue  
gas emission and ventilation circuit · Big power circuit · Emergency lighting circuit ·  
Control circuit in the computer room

### **Iron & Steel Industry**

The environment of high temperature power and control circuit · Emergency power supply · Big power circuit · Generator room transmission lines

### **Petro-Chemical Industry**

General lighting, Emergency lighting circuit, High temperature place · Fire line · Big

power circuit · Potentially dangerous explosion area circuit

## Subway Tunneling

General lighting, Emergency lighting circuit · Fire alarm system · Fire control electrical wiring · Ventilation circuits and rescue system

And other area, like **Places of Interest**, **Park**, **Shopping Market**, **Hotel**, **Hospital**,  
**High Buildings** and ect
