

KLS129-508

Material

Contact :Steel Stamping Zinc Die
(metal housing) Casting or Brass Machined (Option)

Terminal screw: Steel Galvanized and
Chormatized of Nickel plated or Tin plated
(Standard option)

Suface Pin : Brass With Tin Plated

Insulator body : Polyamide(Glass filled)
(housing) (UL94V-0)

Electrical

Voltage rating : 300VAC

Current rating : 10Amps/way max.

Insulation resistance : 5000M Ω /1000V

Wire range : 12-24AWG

Operation temperature : -33 to+120

Torque : 4kg-cm/M2.5
