

Small single row taper roller bearings id 10-25mm

- RV Reducer bearings
- Robotic bearings
- Automation drive bearings
- Small taper roller bearings
- Product description: Small taper roller bearings for Automation drive, Industrial robot reducer, high precision taper roller bearings, RV reducer taper roller bearings, inner diameter 10-25mm, customized type, China manufacturer.

Small taper roller bearing	Outer Diameter D	Inner diameter d	Total high T	Outer ring hight C
BRS122713	27MM	12MM	13MM	11MM
