Quanzhou Taifeng Machine Technical Co., Ltd.

TF-BP Balloon Printing Machine

Brief introduction

We are Quanzhou Taifeng Machine Technical Co., Ltd. specialized in balloon printing machine that is a multifunctional configuration rotary automatic screen printing machine, computerized central control system is a man-machine interface, touch screen, all the operating functions are displayed in a graphic input instructions. Machine adopts imported servo motor drive, and the overall stability is strong, adapt to all kinds of printing process requirements, and ensure the printing accuracy ± 0.05 mm. The machine components of the various agencies are through strict quality control for production processes, minimum maintenance, failure to zero, simple maintenance, to provide customers the best quality, the most economical, the most practical, the most reliable, the most satisfactory printing machinery products.

Technical parameters:

| Model | TF-BP 1S1C | TF-BP 1S2C | TF-BP 1S5C | TF-BP 2S1C | TF-BP 5S1C | TF-BP 5S2C |
|---------------------|-------------|-------------|------------|-------------|------------|------------|
| Dimension (m) | 7.8*1.2*1.5 | 7.8*1.2*1.5 | 10*1.2*1.5 | 7.8*1.2*1.5 | 10*1.2*1.5 | 10*1.2*1.5 |
| Capability(Pcs/Hr) | 4500 | 4000 | 2300 | 4000 | 3000 | 2000 |
| Barometric pressure | 0.8 | 0.8 | 0.8 | 0.8 | 0.8 | 0.8 |
| Power(kw) | 2.2 | 2.2 | 2.2 | 2.2 | 2.2 | 2.2 |
| Weight(T) | 1 | 1 | 1.5 | 1 | 1.5 | 1.5 |

Complete equipment:

| Machine Photos | Name | Quantity | Note |
|---|-----------------------------------|----------|--|
|  | TF-BP Balloon Printing Machine | 1 set | According to customer requires to buy |
|  | Screen printing frame | 1set | Free |
|  | Air compressor | 1 | According to customer requires to buy |
|  | Gas storage | 1 | According to customer requires to buy |
