**How can I trust you ? Are you legit ? Reviews ?**

- most of our customers checked us first by small order, this is how it works. We're not selling candies, we sell real gear and this is not easy.

**How do you ship orders, how is it packed ?**

- Discretion is on highest level, no one will EVER knows what you ordered. We're deleting all information, track of payments to keep you ( customer ) SAFE.

- How? Our method is our method, we're not sharing any info, after you receive product you will find out how ( we prefer classic post because of success, safety )

**Why are prices so low ?**

- Our gear is not from 5th hand. We've got roids straight from sources ( labs ) which made them so we can offer appropriate prices for illegal, real substances.

**I want to order in bulk, is it possible, safe ?**

- Yes, it's. Contact us for further information.
